

Adult

A through-the-Bible curriculum cycle that encourages adults to build their lives on the Word of God. **Intensely Biblical • Intentionally Practical**

Adult Leader's Guide

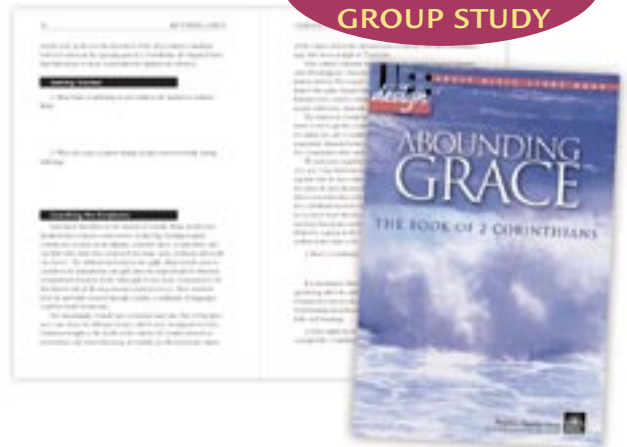

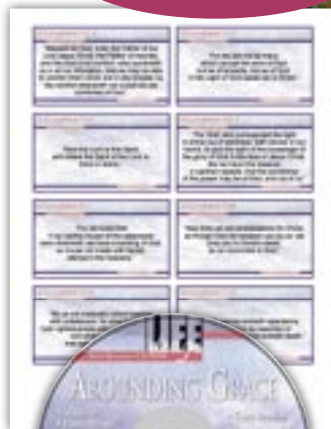

- Uses a three-step lesson plan in a classroom setting
- Provides commentary and engages learners through teaching methods
- Correlates with questions in the Adult Bible Study Book
- Includes F.Y.I.—training material especially for adult teachers

Adult Bible Study Book

- Factual, analytical, and thought-provoking inductive Bible study questions to get the learner into God's Word
- Three parts to each lesson: Getting Started, Searching the Scriptures, and Making It Personal
- Handy 6" x 9" size
- User-friendly format with adequate space for writing

FOR
INDIVIDUAL OR
GROUP STUDY

INCLUDES
CASE STUDIES!

Leader's Resource CD-ROM

- Features ready-to-use or customizable PowerPoint® slides for each lesson
- Includes transparency art from the transparency packet
- Contains flexible use case studies and supplemental application ideas
- Offers supplemental visuals and adaptable verse cards

Horizons Take-home Paper

- A weekly publication to help adults build their lives by the Book
- Biblically based features and stories
- Practical, affordable Christian reading
- Thirteen issues per quarter

Adult Transparency Packet

16 full-color transparencies . . .

- Allow the leader to visualize key concepts and truths
- Provide opportunities for learner participation and interaction
